Cultural Heritage Built into Perfection

**PURE, AUTHENTIC, AND ROOTED IN CYPRUS.
BRINGING THE FLAVORS OF OUR ISLAND TO YOUR TABLE.**

Established in 2019, Arden is a Cypriot dairy company which specializes in producing premium halloumi cheese.

It is of utmost importance that our products are made the traditional way and hence we only use fresh pasteurized cow, sheep & goat milk and do not use milk powder. Furthermore, our products are free of any type of chemical additives and preservatives.

At Arden Dairy, we highly value consistency in all aspects of our work, especially the quality of our products. We have consecutively been obtaining BRCGS Grade A since being established in 2019. Apart from BRCGS, we also possess other certifications such as ISO 9001, ISO 22000 and Halal certificate.

Leading with Tradition, Inspiring with Quality

At Arden, our mission is to be a leader in the dairy industry in Cyprus, setting trends and guiding our sector forward while upholding our cherished family norms and values. We are committed to transparency, food safety, and the rich traditions that inspire everything we do. We strive for excellence in quality and sustainability, ensuring that our products not only nourish but also enhance the well-being of our community

100% AUTHENTIC

Crafted with only the finest, locally sourced ingredients from Cyprus.

PREMIUM QUALITY

Adheres to the highest quality standards and certifications.

TRADITION MEETS INNOVATION

Our vision at Arden is to build upon our strong foundation as the leader in the local dairy market in Cyprus, while ambitiously expanding our reach into foreign markets. We envision a future where our products are recognized globally, celebrated for their quality and authenticity, and rooted in the traditional norms and values that define our brand. As we grow, we remain committed to preserving the essence of our heritage, ensuring that our legacy continues to resonate with customers near and far.

Certified Excellence in Food Quality

We hold internationally recognized certifications that reflect our dedication to maintaining the highest standards in food safety and quality. From ISO to HACCP, our certifications are a testament to our commitment to excellence at every step of the production process. In addition to all our prestigious food health and safety certifications we are also proud to have acquired the PDO certification. Our products comply with all the global standards and are guaranteed to be of the highest quality.
